

Bethlehem Flowerfield Cemetery
Maintenance Fundraiser

First of all, I would like to thank you for your generosity in helping out with cemetery costs. The Bethlehem Flowerfield Cemetery Board will be holding a fundraiser once again to cover the cost of upkeep at the sites. Without these memorials and donations, we would not have been able to pay for the cost of upkeep. To keep a high level of care and maintenance, more funding is necessary. The first option is seasonal decor rental for gravesites. Decor will be placed at the site, maintained through the holiday, and removed by the Cemetery board.

Memorial Day Flag

These flags are approximately 1ft. X 2 ft. and will hang from a shepherd's hook. Flags will be hung at the gravesite prior to Memorial Day and removed the following week.

Rental = minimum donation \$40
Deadline for flag orders is May 15

Christmas Wreath

Christmas wreaths will be hung at the site the week after Thanksgiving and will be removed in February.

Rental = minimum donation of \$40
Deadline for wreath orders is November 1

Flag and Wreath rental = \$60

***Flag and Wreath orders may only be placed one year at a time. No advanced orders will be accepted.**

The final option for helping with maintenance costs is a one-time or yearly monetary donation. Please fill out and return the donation form below. Thank you for your continued support of Bethlehem Flowerfield Cemetery. Best regards,
